

I encourage college students interested in social work, government or politics to apply for an internship in my Phoenix District Office. Intern positions are non-paid, school credit-earning opportunities through your school. The Phoenix District Office supports two (2) positions each school semester. The district office is located in the ASU Downtown Center in Phoenix.

The goal of the internship program is to provide students with a full range of experiences and activities related to the operations of a district congressional office.

Following orientation and training:

- Interns provide in-office constituent services to meet the needs of the residents of Arizona 4th Congressional District.
 - Interns participate in representational activity by attending district activities and events on behalf of the Member.
 - Interns attend local federal agency congressional briefings.
 - Interns participate in weekly staff meetings.
 - Interns may conduct issue research relevant to the district and Congressman Pastor.
 - Interns may be assigned special project work.
- (NOTE: Internships are non paid and available for school credit only)

If you are interested in this type of opportunity, please submit a [completed application](#) , cover letter, current resume and an unofficial transcript prior to desired semester deadline:
